

23rd January 2023

Dear Parents/ Carers,

Friday February 3rd is NSPCC Number Day! As part of our commitment to make maths exciting and high profile in our school, we've decided to take part in a friendly competition involving schools in the United Kingdom. It's a one day competition which starts on Friday 3rd February 2023 at 07:30 and ends at 19:30. It's all done online via [play.ttrockstars.com](http://play.ttrockstars.com).

Children can play in any game mode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours). In school, we will be offering opportunities throughout the day for each class to use the ipads to earn points through their TT rockstars play, it would be fantastic if the children can also practise these skills at home.

Winning classes in the school and in the competition as a whole will be the ones with the highest average.

To raise funds for the NSPCC, we ask students to donate £1 to wear their fabulous rock star clothes to school for the day.

Thank you for your continued support

Mrs Akroyd
