

4th February 2023

Dear Parents and Carers,

It has been a wonderful week of singing, rock stars and fundraising.

Young Voices

Our fantastic choir took part in 'Young Voices' at the Manchester Arena and had the opportunity to sing with over 8,000 other children. They were also all able to sing with Heather Small from M People and other professional musicians. On Friday 10th February, after school, Mr Baker and his fabulous choir will be performing some of their songs to their parents/ carers, I'm sure you will all be amazed!

NSPCC Rocks

It was fantastic to see so many children dressed as 'Rock Stars' for our NSPCC Rocks day! Thank you to all the families who supported and all the money raised will be going to the NSPCC to help them continue with the valuable work they do. The children were phenomenal on their times tables and helped us to secure a total score of 25,020 throughout the day! We will let you know the total funds raised next week!

Attenborough Class Showcase

On Tuesday 7th February, 14:30 -15:00, the children from Attenborough class will be having their curriculum showcase. Parents are invited to come in to school and celebrate all the children's fantastic learning from the term with us. It will be held in the hall and will show all their super learning, we hope to see lots of you there!

Parents Evening

There will be another parents evening held in Spring 2. We will confirm dates and further information with you all after the holidays. We hope to also have the mentally healthy schools team there to offer drop ins for any parents who have any questions or information they would like to find out more about.

Empty bottles

As part of their computing lesson, Attenborough class will be designing and making their own rockets. If you have any clean, spare, large plastic bottles can they please be brought in to school.

Valentines Disco

A huge thank you once again to our amazing PFA for a fantastic 'Valentines Disco'. The children had a great time and LOVED having their photos taken in the amazing photo booth.

Have a wonderful weekend,

Take care, Mrs Akroyd, Vice Principal and Miss Horsfall, Principal
