

Over this next term, I am anticipating more great learning to come for Ennis-Hill class at West Vale academy. The children should be excited to continue to build their knowledge of our broad and balanced curriculum as we continue in to the final half-term of our school year! We will be continuing to enforce our school rules and expectations to promote the best learning environment for our pupils. It would be greatly appreciated if the values of West Vale may be discussed at home too.

Maths

In maths this half term, year 4 will be doing; time, shape, statistics and position and direction. Year 5 will be doing; position and direction, decimals, negative numbers and converting units. Of course, the children will have prior knowledge of these topics so we will be moving to build on these foundations and working towards challenging ourselves where we can!

Art:

Next in art the children will be moving onto looking at the National Gallery special project called; 'Take One picture'.

Science:

In science, the children will be moving to look meteorology, studying the earth's atmosphere and what makes this.

Geography/History:

In History, we are moving on to exploring The French Revolution.

In geography we are moving onto looking at doing a local study, where we will be observing what we can learn about West Vale!

English:

Over the half term, the children will be reading the book 'The Lady of Shallott' Written by Alfred Tennyson.

The children will then produce different forms of written work linked to our learning around this book.

Computing:

Computing will be taught in a full day block at the end of the term.

The children will this term, looking at the investigating weather.

PE:

The children will be taking part in both swimming and indoor PE. For their indoor PE lessons, the children will be practising PE skills using Real PE and with the support of Mr Smith.

Swimming will continue at Sowerby Bridge pool and fitness centre.

PSHCE & RE:

In PSHE, the children will be moving onto transition, where they start to think about their next year in school.

In RE, the children will answer the key question 'What values are shown in the codes of living?'

Music:

The children will be looking at musical theatre and will be creating and performing their own!

Class messages:

Also this year, we are excited to have Phunky foods back in school working with our four year 5 ambassadors to help us educate ourselves on how we should lead a healthy lifestyle! The Phunky foods ambassadors will be called again to support with more fun activities to do and how to stay healthy.

Important dates to remember:

Friday 21st June—Break up for the summer holidays
