

6<sup>th</sup> September 2023

Dear Parents and Carers,

Please find attached a calendar for our school events for the academic year 2023-24. We have listened to parental feedback and have created a calendar of all events that involve parents over the course of the year. We have tried to include as many events as we can to help you with your planning and to enable you to support your child, as we appreciate for working parents further forward planning is required.

We have worked hard to include a range of events and sessions that will be beneficial, informative and enjoyable to do with your children. We hope that parents will be able to engage with as many sessions as possible over the coming year and we look forward to welcoming you into our lovely school

Our very best wishes,

Miss Horsfall, Mrs Akroyd and Miss Vincent

Senior Leadership team
