Thank you to those families who were able to attend our autumn arts and craft sessions, it was very popular and well attended. The children had a fabulous time and loved having their family members in school to spend time completing a variety of craft activities with them. We have more of these planned in throughout the year- please see the parents events page on the website for further dates and information.

Anxiety Workshops

Thank you to those parents able to attend our anxiety workshop, it was well attended. We are keen to support our families with their child's wellbeing and we are looking to deliver more workshops around mental health and wellbeing over the course of the year.

Home Reading

All children have a reading record which we use alongside their reading books to record information about their individual reads, these are monitored by staff. We promote reading for pleasure in school and all children will have a book banded book and one they have chosen from our school library. Please can parents/ carers support the children with developing their love of reading by reading with them at home and recording this in their reading records.

Warm wishes
