### **Blue Some Good**

On the 9<sup>th</sup> February we will be holding a non-uniform day to raise funds for the mental health charity 'Invictus'. #BlueSomeGood is a fundraising campaign set up by Invictus Wellbeing aimed at raising vital funds to improve the mental health of children and young people in West Yorkshire. We invite the children to come into school wearing something blue to show our support for mental health.

### **Aspiration Week**

We are keen to raise aspirations for all our children and will be holding an 'Aspirations Week' in school on the week commencing the 5<sup>th</sup> February. We will be inviting speakers from different professions into school to speak to the children and give them a taster of the different skills involved in their career. We are keen to showcase a range of professions in order to promote a variety of careers. Thank you so much to all those parents who have already been in contact to volunteer to talk about their career with the children. If anyone else would like to offer, please contact the school office

### **NSPCC Rocks**

On Friday 2<sup>nd</sup> February, the UK's leading child protection charity and Times Tables Rock Stars are teaming up for the 8<sup>th</sup> year in a row to celebrate the NSPCC's Number Day. As a school we will again be participating in NSPCC Rocks which is the online times tables competition that will boost maths confidence alongside accuracy and recall speed. The children will work together to complete as many times table questions as possible. If any families wish to donate any money to the NSPCC please can this be handed into the office.
